INDEPENDENT AUDITOR'S REPORT

To the County Commission
The County of Camden, Missouri

Report on the Financial Statements

We have audited the accompanying financial statements of the County of Camden ("County"), Missouri, which comprise cash and unencumbered cash for each fund as of December 31, 2014, and the related statements of cash receipts and disbursements and disbursements-budget and actual for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the regulatory basis of accounting, a financial reporting framework prescribed or permitted by Missouri law as described in Note I of the accompanying financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note I of the financial statements, the financial statements are prepared on the basis of the financial reporting provisions prescribed or permitted by Missouri law, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of Missouri.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note I and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the County as of December 31, 2014, or changes in financial position or cash flows thereof for the year then ended.

Basis for Qualified Opinion on Regulatory Basis of Accounting

The County was unable to provide the bank reconciliation for the Prosecuting Attorney’s Bad Check Account, included in the Prosecuting Attorney’s Agency Fund. We were unable to determine the book cash balance as a reconciliation between cash balance and bank balance was not provided. Since we were unable to determine the cash balance of the Prosecuting Attorney’s Agency Fund, we used the bank balance of \$25,954.66 when calculating the total agency fund balance.

Qualified Opinion on Regulatory Basis of Accounting

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion on Regulatory Basis of Accounting paragraph, the financial statements referred to above present fairly, in all material respects, the cash and unencumbered cash of each fund of the County as of December 31, 2014, and their respective cash receipts and disbursements, and budgetary results for the year then ended in accordance with the financial reporting provisions prescribed or permitted by Missouri law described in Note I.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the County of Camden’s basic financial statements. The schedule of expenditures of federal awards, as required by *Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations* is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 13, 2015, on our consideration of the County of Camden's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering County of Camden's internal control over financial reporting and compliance.

THE COUNTY OF CAMDEN
CAMDENTON, MISSOURI
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2014

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The County of Camden, Missouri (“County”), which is governed by a three-member board of commissioners, was established in 1841. In addition to the three board members, there are eleven elected Constitutional Officers: County Clerk, Collector, Treasurer, Circuit Clerk, Recorder of Deeds, Sheriff, Assessor, Coroner, Public Administrator, Auditor, and Prosecuting Attorney.

As discussed further in Note I, these financial statements are presented on the regulatory basis of accounting. This basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP).

A. Reporting Entity

As required by generally accepted accounting principles, as applicable to the regulatory basis of accounting, these financial statements present financial accountability of the County.

The County’s operations include tax assessments and collections, state/county courts, county recorder, police protection, transportation, economic development, social and human services, and cultural and recreation services.

The financial statements referred to above include only the primary government of Camden County, Missouri, which consists of all funds, organizations, institutions, agencies, departments, and offices that comprise the County’s legal entity. The financial statements do not include financial data for the County’s legally separate component unit, which accounting principles generally accepted in the United States of America, as applicable to the regulatory basis of accounting, require to be reported with the financial data of the County. In accordance with accounting principles generally accepted in the United States of America, as applicable to the regulatory basis of accounting, the Camden County Senate Bill 40 has issued separate reporting entity financial statements. For information regarding this component unit, please contact Camden County Senate Bill 40 at (573) 317-9233.

B. Basis of Presentation

The financial statements are presented using accounting practices as prescribed or permitted by Missouri law, which include a Statement of Receipts, Disbursements and Changes in Cash and Investment Balances – All Governmental Funds, Statements of Receipts, Disbursements and Changes in Cash and Investment Balances– Budget and Actual – All Governmental Funds, and Statements of Assets and Liabilities Arising from Cash Transactions – Agency Funds.

Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. A fund is considered a separate accounting entity with self-balancing accounts. The following fund types are used by the County:

CAMDENTON, MISSOURI
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2014

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Basis of Presentation (concluded)

Governmental Fund Types

Governmental funds are those through which most governmental functions are financed. The County's expendable financial resources are accounted for through governmental funds. The measurement focus is upon determination of and changes in financial position rather than upon net income.

Fiduciary Fund Types

Agency – Agency funds are used to account for assets held by the County in a trustee capacity as an agent of individuals, private organizations, other funds or other governmental units. Agency funds are accounted for and reported similarly to the governmental funds. Agency funds are custodial in nature (assets equal liabilities) and do not involve the measurement of results of operations. These funds account for activities of collections for other taxing units by the Collector of Revenue and other agency operations.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements.

The financial statements are prepared on the regulatory basis of accounting. This basis of accounting recognizes amounts when received or disbursed in cash and differs from accounting principles generally accepted in the United States of America. Those principles require revenues to be recognized when they become available and measurable or when they are earned, and expenditures or expenses to be recognized when the related liabilities are incurred.

As a result of using this regulatory basis of accounting, certain assets (such as accounts receivable and capital assets), certain revenues (such as revenue for billed or provided services not yet collected), certain liabilities (such as accounts payable, certificates of participation bonds and obligations under capital leases) and certain expenditures (such as expenditures for goods or services received but not yet paid) are not recorded in these financial statements.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Budget and Budgetary Accounting

The County follows these procedures in establishing the budgetary data reflected in the financial statements:

1. In accordance with Chapter 50 RSMo, the County adopts a budget for each governmental fund.
2. On or before September 1st, each elected officer and department director will transmit to the County Auditor, who serves as budget officer, the budget request and revenue estimates for their office or department for the budget year.
3. The County Auditor submits to the County Commission a proposed budget for the fiscal year beginning January 1. The proposed budget included estimated revenues and proposed expenditures for all budgeted funds. Budgeted expenditures cannot exceed beginning available monies plus estimated revenues for the year. Budgeting of appropriations is based upon an estimated unencumbered fund balance at the beginning of the year as well as estimated revenues to be received. The budget to actual comparisons in these financial statements, however, do not present encumbered fund balances, but only compare budgeted and actual revenues and expenditures. Section 50.540 RSMo prohibits expenditures in excess of the approved budget.
4. A public hearing is conducted to obtain public comment. Prior to its approval by the County Commission, the budget document is available for public inspection.
5. Prior to January 1, the budget is legally enacted by a vote of the County Commission.
6. Subsequent to its formal approval of the budget, the County Commission has the authority to make necessary adjustments to the budget by formal vote of the Commission. Adjustments made during the year are reflected in the budget information in the financial statements.

Budgeted amounts are as originally adopted, or as amended by the County Commission throughout the year. Individual amendments were not material in relation to the original appropriations which were adopted.
7. Budgets are prepared and adopted on the cash basis of accounting.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Property Taxes

The assessed valuation of the tangible taxable property, included within the County's boundaries for the calendar year 2014, for purposes of taxation, was:

		2014
Real Estate	\$	1,317,506,240
Personal Property		257,003,950
Railroad and Utilities		29,095,186
	\$	1,603,605,376

During 2014, the County Commission approved a \$0.2646 tax levy per \$100 of assessed valuation of tangible taxable property, for purposes of County taxation, as follows:

		2014
General Revenue Fund	\$	0.1100
Special Road and Bridge Fund		0.1100
Senior Citizen Tax Fund		0.0446
	\$	0.2646

F. Cash Deposits and Investments

Deposits and investments are stated at cost, which approximates market. Cash balances for all the County Treasurer Funds are pooled and invested to the extent possible. Interest earned from such investments is allocated to each of the funds based on the funds' average daily cash balances. Cash equivalents include repurchase agreements and any other instruments with an original maturity of 90 days or less. State law authorizes depositing funds in banks and trust companies or investing funds in bonds or treasury certificates of the United States, other interest bearing obligations guaranteed as to both principal and interest by the United States, bonds of the State of Missouri or other government bonds, or time certificates of deposit, provided, however, that no such investment shall be purchased at a price in excess of par.

FOR THE YEAR ENDED DECEMBER 31, 2014

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

F. Cash Deposits and Investments (concluded)

Funds in the form of cash on deposit or time certificates of deposit are required to be insured by the Federal Deposit Insurance Corporation (FDIC) or collateralized by authorized investments held in the County's name at third-party banking institutions. Details of these cash balances are presented in Note II.

G. Interfund Transactions

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables, if applicable, are eliminated due to reporting the financial statements on the regulatory basis of accounting.

Legally required transfers are reported as "transfers in" by the recipient fund and as "transfers out" by the disbursing fund.

II. DEPOSITS AND INVESTMENTS

The County maintains a cash and temporary investment pool that is only available for use by funds that the County has control over. Deposits with maturities greater than three months are considered investments. Each fund type's portion of this pool is displayed as "Cash and Investments" under each fund's caption.

Deposits - Missouri statutes require that all deposits with financial institutions be collateralized in an amount at least equal to uninsured deposits. At December 31, 2014, the carrying amount of the County's deposits was \$10,339,120.96, and the bank balance was \$47,586,103.75. As of December 31, 2014, 100% of the County's investments were guaranteed by the U.S. Government.

Custodial Credit Risk – Deposits

For a deposit, custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The County's investment policy does not include custodial credit risk requirements. The County's deposits were exposed to custodial credit risk for the year ended December 31, 2014.

Custodial Credit Risk – Investments

Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the government, and are held by the party that sold the security to the County or its agent but not in the government's name. The County does not have a policy for custodial credit risk relating to investments.

All investments, evidenced by individual securities, are registered in the name of the County or of a type not exposed to custodial credit risk.

Investment Interest Rate Risk

Investment interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Board of Directors consists of eleven members, nine of whom are county employee participants. Two members, who have no beneficiary interest in CERF, are appointed by the Governor of Missouri. The Board of Directors has the authority to adopt rules and regulations for administering the system.

CERF is a mandatory cost-sharing multiple employer retirement system for each county in the State of Missouri, except any city not within a county (which excludes the City of St. Louis) and counties of the first classification with a charter form of government. CERF covers county elective or appointive officers or employees whose position requires the actual performance of duties not less than 1,000 hours per year; including employees of circuit courts located in a first class, non-charter county which is not participating in the Local Government Employees Retirement System (LAGERS); and does not cover circuit clerks, deputy circuit clerks, county prosecuting attorneys, and county sheriffs. Until January 1, 2000, employees hired before January 1, 2000, could opt out of the system.

CERF is a defined benefit plan providing retirement and death benefits to its members. All benefits vest after 8 years of creditable service. Employees who retire on or after age 62 are entitled to an allowance for life based on the form of payment selected. The normal form of payment is a single life annuity. Optional joint and survivor annuity and 10-year certain and life annuity payments are also offered to members in order to provide benefits to a named survivor annuitant after their death. Employees who have a minimum of 8 years of creditable service may retire with an early retirement benefit and receive a reduced allowance after attaining age 55. Annual cost-of-living adjustments, not to exceed 1%, are provided for eligible retirees and survivor annuitants, up to a lifetime maximum of 50% of the initial benefit which the member received upon retirement. Benefit provisions are fixed by state statute and may be amended only by action of the Missouri Legislature. Administrative expenses for the operation of CERF are paid out of the funds of the system.

The County Employees' Retirement Fund issues audited financial statements. Copies of these statements may be obtained from the Board of Directors of CERF by writing to CERF, 2121 Schotthill Woods Drive, Jefferson City, Missouri 65101, or by calling 1-573-632-9203.

B. Contributions

Prior to January 1, 2003, participating county employees, except for those who participated in LAGERS, were required to make contributions equal to 2% of gross compensation. Effective January 1, 2003, participating county employees hired on or after February 25, 2002, are required to make contributions of 4% if they are in a LAGERS county and contributions of 6% if they are in a non-LAGERS county. VIII. LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM (LAGERS)

A. Plan Description

Camden County participates in the Missouri Local Government Employees Retirement System (LAGERS), an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for local government entities in Missouri. LAGERS is a defined benefit pension plan which provides retirement, disability, and death benefits to plan members and beneficiaries.

LAGERS was created and governed by statute section RSMo. 70.600 - 70.755. As such, it is the system's responsibility to administer the law in accordance with the expressed intent of the General Assembly. The plan is qualified under the Internal Revenue Code Section 401(a) and it is tax exempt.

The Missouri Local Government Employees Retirement System issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to LAGERS, P.O. Box 1665, Jefferson City, MO 65102 or by calling 1-800-447-4334.

B. Funding Status

Full-time employees of Camden County do not contribute to the pension plan. The June 30th statutorily required contribution rates are 15.4% (General) and 16.0% (Police) of annual covered payroll. The contribution requirements of plan members are determined by the governing body of the political subdivision. The contribution provisions of the political subdivision are established by state statute.

C. Annual Pension Cost (APC) and Net Pension Obligation (NPO)

The subdivision's annual pension cost and net pension obligation for the current year were as follows:

Annual required contribution	\$	1,378,800
Interest on net pension obligation		5,009
Adjustment to annual required contribution		(5,560)

Actual contributions		1,378,800
Increase (decrease) in NPO		(551)
NPO beginning of year		69,092
NPO end of year	\$	68,541

The annual required contribution (ARC) was determined as part of the February 29, 2012 and February 28, 2013 annual actuarial valuations using the entry age actuarial cost method. The actuarial assumptions as of February 28, 2014 included: (a) a rate of return on the investment of present and future assets of 7.25% per year, compounded annually, (b) projected salary increases of 3.5% per year, compounded annually, attributable to inflation, (c) additional projected salary increases ranging from 0.0% to 6.0% per year, depending on age and division, attributable to seniority/merit, (d) pre-retirement mortality based on 75% of the RP-2000 Combined Healthy Table set back 0 years for men and 0 years for women and (e) post-retirement mortality based on 105% of the 1994 Group Annuity Mortality table set back 0 years for men and 0 years for women. The actuarial value of assets was determined using techniques that smooth the effects of short-term volatility in the market value of investments over a five-year period. The unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on an open basis. The amortization period as of February 29, 2012 was 17 years for the General division and 16 years for the Police division. The Amortization period as of February 28, 2013 was 17 years for the General division and 16 years for the Police division.

IX. POST-EMPLOYMENT BENEFITS

The County does provide post-employment benefits including, as mandated, the Consolidated Omnibus Budget Reconciliation Act (COBRA). The requirements established by COBRA are fully funded by employees who elect coverage under the Act, and no direct costs are incurred by the County. Retirees may remain on the health insurance plan until they are Medicare eligible. If an employee has over 15 years of service with the County, the County will continue to pay the same portion of health insurance that they paid before the person retired, until the person becomes Medicare eligible. At December 31, 2014, there were 5 Cobra participants paying premiums totaling \$11,454.00.

X. CLAIMS, COMMITMENTS AND CONTINGENCIES

A. Litigation

The County is currently involved in pending litigation at December 31, 2014.

B. Compensated Absences

The County provides employees with up to 20 days of paid vacation per year based upon the number of years of continuous service. Upon termination from county employment, an employee is reimbursed for unused sick leave. Employees with 10 or more years of service, whose employment terminates, will receive payment for one half (1/2) of their accumulated sick time. Upon the death of an eligible employee, one half (1/2) of his or her accumulated sick time will be paid to the surviving spouse or beneficiary designated under the County-paid life insurance program.

C. Federal and State Assisted Programs

The County has received proceeds from several federal and state grants. Periodic audits of these grants are required and certain costs may be questioned as inappropriate expenditures under the grant agreements. Such audits could result in the refund of grant monies to the grantor agencies. Management believes that any required refunds, if determined necessary, will be immaterial. No provision has been made in the accompanying financial statements for the potential refund of grant monies.

XI. RISK MANAGEMENT

The County is exposed to various risks of losses related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters, and has established a risk management strategy that attempts to minimize losses and the carrying costs of insurance. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

XII. SUBSEQUENT EVENTS

There were no subsequent events to report as of the audit report date.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITOR'S REPORT

To the County Commission
The County of Camden, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the County of Camden ("County") as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated July 13, 2015. Our report was modified due to a lack of support for the Prosecuting Attorney Bad Check account.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and questioned costs to be material weaknesses. (FS 2014-003).

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in the accompanying schedule of findings and questioned costs to be significant deficiencies. (FS 2014-001 and FS 2014-002)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards*, and which is described in the accompanying schedule of findings and questioned costs as item FS 2014-003.

The County's Response to Findings

The County's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The County's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND
REPORT ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY OMB CIRCULAR A-133

INDEPENDENT AUDITOR'S REPORT

To The County Commission
The County of Camden, Missouri

Report on Compliance for Each Major Federal Program

We have audited the County's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended December 31, 2014. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2014.

Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

CAMDENTON, MISSOURI
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2014

NOTE 1 – BASIS OF PRESENTATION

A. Purpose of Schedule and Reporting Entity

The accompanying Schedule of Expenditures of Federal Awards has been prepared to comply with the requirements of OMB Circular A-133. This circular requires a schedule that provides total federal awards expended for each major program and the Catalog of Federal Domestic Assistance (CFDA) number or other identifying number when the CFDA information is not available.

The schedule includes all federal awards administered by Camden County, Missouri.

B. Basis of Presentation

OMB Circular A-133 includes these definitions, which govern the contents of the schedule:

Federal financial assistance means assistance that non-federal entities receive or administer in the form of grants, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, and other assistance, but does not include amounts received as reimbursement for services rendered to individuals.

Federal award means federal financial assistance and federal cost-reimbursement contracts that non-federal entities receive directly from federal awarding agencies or indirectly from pass-through entities. It does not include procurement contracts, under grants or contracts, used to buy goods or services from vendors.

Accordingly, the schedule includes expenditures of both cash and noncash awards.

C. Basis of Accounting

The schedule is presented on the cash basis of accounting, which recognizes amounts only when disbursed in cash.

NOTE 2 – SUBRECIPIENTS

The County provided no federal awards to subrecipients during the year ended December 31, 2014.

II. FINANCIAL STATEMENT FINDINGS

FS 2014-001 Criteria: Statement on Auditing Standards (SAS) No. 115, *Communicating Internal Control Related Matters Identified in an Audit*, which is effective for periods ending on or after December 15, 2009, as amended by SAS No. 122, *Statements on Auditing Standards: Clarification and Recodification*, considers inadequate documentation of the components of internal control to be at least a significant deficiency.

Condition: Documentation of the County's internal controls has not been prepared.

Context: During walkthroughs, the County informed us that internal control documentation had not been prepared.

Effect: SAS 122 considers inadequate documentation of the components of internal control to be at least a significant deficiency. Without documented internal controls, the County may not be able to ensure that controls are in place, communicated and operating effectively.

Cause: The County did not prepare the required documentation.

Recommendation: We recommend that the County develop the required internal control documentation. In addition, we recommend studying the COSO internal control guidance and tools as a means to begin the process. Once this documentation is complete, those charged with governance have a responsibility to understand the controls and ensure they are operating effectively.

Views of Responsible Officials and Planned Corrective Actions: The County Auditor (Ronald Capps) is in the process of preparing the needed documentation to document their internal control structure in conformity with the COSO framework. The Auditor expects to complete this by the next audit period. The Auditor's office can be reached at (573) 317-3825.

FS 2014-002 Criteria: Antifraud programs and controls are the policies and procedures put in place by an organization to help ensure that management directives are carried out. They are part of the overall system of internal control established to achieve reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations.

THE COUNTY OF CAMDEN
CAMDENTON, MISSOURI
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED DECEMBER 31, 2014

II. FINANCIAL STATEMENT FINDINGS (concluded)

FS 2014-002 Condition: During the walkthroughs of the County, we noted there is no formal fraud risk assessment in place.

Context: During walkthroughs, the County informed us that the necessary risk assessment documentation had not been prepared.

Effect: Lack of an appropriate risk assessment process may result in certain risks not being identified by County's management. Opportunities to commit and conceal a fraud or irregularity may go undetected by management without proper assessment procedures.

Cause: Management has not prepared documentation of risk assessments, including identified risks and mitigating controls.

Recommendation: We recommend that the County address various risks in the environment, including risk of fraud occurring by performing assessments to identify, analyze and manage these risks.

Views of Responsible Officials and Planned Corrective Actions: The County Auditor (Ronald Capps) is in the process of preparing the needed documentation to document their internal control structure in conformity with the COSO framework. The Auditor expects to complete this by the next audit period. The Auditor's office can be reached at (573) 317-3825.

FS 2014-003 Criteria: Bank reconciliations must be prepared monthly on a timely basis by the Prosecuting Attorney's office.

Condition: We noted no bank reconciliation was performed on the PA Bad Check bank account.

Context: This deficiency became apparent through our testing of the Prosecuting Attorney Bad Check cash account and the related reconciliations.

Effect: Errors may go undetected if proper controls are not in place to review cash transactions.

Cause: Management does not place adequate emphasis upon reviewing cash transactions and preparing accurate reconciliations.

Recommendation: We recommend that the Prosecuting Attorney prepare monthly bank reconciliations and adjustments to the cash accounts.

THE COUNTY OF CAMDEN
CAMDENTON, MISSOURI
SUMMARY SCHEDULE OF PRIOR YEAR FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED DECEMBER 31, 2014

I. FOLLOW-UP PRIOR YEAR FINANCIAL STATEMENT FINDINGS

FS 13-01 Criteria: Statement on Auditing Standards (SAS) No. 115, *Communicating Internal Control Related Matters Identified in an Audit*, which is effective for periods ending on or after December 15, 2009, as amended by SAS No. 122, *Statements on Auditing Standards: Clarification and Recodification*, considers inadequate documentation of the components of internal control to be at least a significant deficiency.

Condition: Documentation of the County's internal controls has not been prepared.

Context: During walkthroughs, the County informed us that internal control documentation had not been prepared.

Effect: SAS 122 considers inadequate documentation of the components of internal control to be at least a significant deficiency. Without documented internal controls, the County may not be able to ensure that controls are in place, communicated and operating effectively.

Cause: The County did not prepare the required documentation.

Recommendation: We recommend that the County develop the required internal control documentation. In addition, we recommend studying the COSO internal control guidance and tools as a means to begin the process. Once this documentation is complete, those charged with governance have a responsibility to understand the controls and ensure they are operating effectively.

Status: The County has not documented internal controls of the County. This finding is repeated at FS 2014-001.

FS 13-02 Criteria: Antifraud programs and controls are the policies and procedures put in place by an organization to help ensure that management directives are carried out. They are part of the overall system of internal control established to achieve reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations.

Condition: During the walkthroughs of the County, we noted there is no formal fraud risk assessment in place.

Context: During walkthroughs, the County informed us that the necessary risk assessment documentation had not been prepared.

Effect: Lack of an appropriate risk assessment process may result in certain risks not being identified by County's management. Opportunities to commit and conceal a fraud or irregularity may go undetected by management without proper assessment procedures.

Cause: Management has not prepared documentation of risk assessments, including identified risks and mitigating controls.
